

MORE FM winery tour

What better way to enjoy summer than by relaxing in the sun, with good wine, good friends and good music. You can do exactly that this February when Bic Runga, Dave Dobbyn and Tim Finn team up to once more take to the stage in a nationwide MORE FM Winery Tour. It was almost a decade ago that the musically gifted trio first shared the stage performing their own and each other's hits, and this

time round they bring with them Bic's sister Boh Runga and Supergroove's front man Che Fu. With performances from as far north as Tutukaka to as far south as Arrowtown, fans are in for a treat and Tim, Bic and Dave already have rehearsals underway for what they promise will be a two hour show with back-to-back hits. Meanwhile, Boh, who will be back in her homeland from her LA base, will be perform-

ing hits from her Stellar* songbook as well as her more recent material and Che Fu will have the crowd tapping their toes to his beats of Fade Away and Misty Frequencies. The two will also join forces, for the first time ever, which is sure to be a highlight of the show.

Tickets are on sale now – don't miss out on this great summer gig.
