# Kiwi legends returning

Kiwi music legends Tim Finn, Bic Runga and Dave Dobbyn will again take the stage together, as the nationwide More FM Winery Tour hits the summer road.

It's almost a decade since the trio first shared the stage, performing their own and each others' hits, together on stage during the whole performance. This year they light up Sacred Hill's Rifleman's Vineyard on Sunday, February 21.

Also joining the lineup for 2010 is Boh Runga, performing songs from the Stellar songbook, as well as her own solo material. She will be joined on stage by Supergroove frontman and solo star Che Fu, bringing his own hits, such as *Fade Away* and *Misty Frequencies* to the set. It will be the first time these two powerful vocalists have performed together and is sure to be a highlight.

"This will be our biggest and best winery tour yet," says co-promoter Brent Eccles. "The *Together in Concert* tour we did with Tim, Bic and Dave in 2000 was one of the highlights of my career as a promoter – it was an incredible show. I can't wait to relive that magic, and Boh and Che together will blow everyone away, it's going to be a fantastic tour!"

"This year, our tour party will be in excess of 70 people, but as big as it is, we always strive to improve the event each year.

"Demand for bus transport to the venues has grown, as people want to leave the car at home, have a few wines and enjoy the night. We have more bus and ticket packages on offer for 2010."

The artists are just as excited. "The first Finn, Runga, Dobbyn tour was a proud and passionate moment for us all," says Tim Finn.
