

## Pick your own prize

# What's our best place?

Let Taupo District Council know what your favourite natural space or reserve is and you will go into a draw to pick your own prize.

The parks and open spaces team is taking nominations for the Taupo District's favourite parks, reserves, and natural landscapes to be included in a new promotional booklet. All entries will go in to the draw to win either two tickets to the More FM Winery Tour Concert in Taupo, or a ride for two in the Taupo floatplane.

Bonus prizes will also be available. Entries close on January 22 next year.

The booklet, which will feature Taupo's top 10 "favourite places" is designed to promote the many beautiful parks and reserves in the district and will be available from council offices, motels, backpackers, visitor centres and selected stores.

Parks and open spaces manager

John Ridd says that they have already been inundated with suggestions from council staff.

"Spa Park has been popular, as has Wharewaka Point. Don't be put off voting for the big ones, we want to find out which are the ten favourite places.

"We also want to know why it is your favourite too. Some lucky locals may even find their faces in the booklet," says Mr Ridd, as each favourite place will feature a profile of a local resident that voted for that place, and why.

Nominations for your favourite place can be made by emailing to [favouriteplace@taupo.govt.nz](mailto:favouriteplace@taupo.govt.nz), or in writing to: Favourite Place Competition, Taupo District Council, Private Bag 2005, Taupo 3352.

Please include your name, address, contact phone number and a brief reason why you chose your location.

**NAME YOUR FAVOURITE: You could win your choice of prize.**
